Alphabetical List

OF

OFFICERS RETIRED FROM THE ARMY,

WITH THE

REGIMENTS FROM WHICH THEY RETIRED.

All General and Field Officers whose names are allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 5th October, 1854, shall send a Notification to Her Majesty's Secretary of State for War of their being alive on the 1st January and the 1st July of each year.

If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.

LIEUT. GENERALS.

Peel, Rt. Hon. *Jonathan*, Unatt. 7 Dec. 30

Wellington, Duke of, K.G. Unatt. 2 Feb. 52

Gen. No. 78

MEMORANDUM.

ANY Captain applying to the Secretary of State for War to be appointed a Staff Officer of Pensioners should answer distinctly the following questions as to his qualifications:

1st. What is his age? Whether on Full or Half-Pay? Whether serving abroad or at home?

2nd. Has he completed FIFTEEN years' service on Full Pay, and in what Corps?

3rd. What is the date of his Commission as Captain?

4th. Has he received the difference when placed on Half Pay? Did he retire at his own request, from ill health, or from wounds?

5th. Has he served as Adjutant, or Paymaster, or on the Staff in any capacity likely to qualify him for the duties of Staff Officer of Pensioners?

6th. Has he certificates of ability and fitness from Officers under whom he served?

N.B. Officers under or above the rank of Captain, or whose appointment would involve immediate Brevet Rank, or who, having received the difference, are not prepared to repay it, are ineligible for the appointment of Staff Officer of Pensioners.

WARRANTS, CIRCULARS, &c.

CIRCULAR, No. 900.—(*Auditor of Army Accounts.*)

HOME AND FOREIGN.

24319—11. *War Office, 3rd February*, 1865.

Earl de Grey and Ripon has appointed Mr. Henry William Sharp Whiffin Chief Auditor of Army Accounts.

EDWARD LUGARD.

[N.B.—The words "exclusive of India" have been omitted since the publication of this Circular on page 342 of the March Army List.]

CIRCULAR, No. 901.—(*Passage Allowances.*)

18—Passage Warrants—106. *War Office, 9th February*, 1865.

1. In promulgating Her Majesty's Warrant of 2nd January, 1865, Circular No. 888, sanctioning the Regulations which will for the future define the grants of passages and passage allowances to all Officers proceeding to or from the Colonies, and extending its provisions and privileges to all Officers of Her Majesty's British Service, whether of the Staff, or of Regiments, Battalions, Brigades and Batteries who shall hereafter embark for or from India:—

2. It is notified that, in consideration of the privileges conferred upon the Officers of the Army at large by the provisions of this Warrant, it has been decided, with the concurrence of the Secretary of State for India in Council, to discontinue the grant of six months Indian allowances, hitherto issued to Officers of Her Majesty's British Service proceeding from India to England on medical certificate.

3. The discontinuance of this grant will, however, apply only to Officers of Her Majesty's British Service belonging to Regiments, Battalions, Brigades and Batteries, which shall proceed to India subsequently to the date of this Warrant.

EDWARD LUGARD.

CIRCULAR, No. 902.—(*War Department Vessels.*)

[Circular No. 471, dated 24th August, 1859, is hereby cancelled.]

57—22—7399. HOME STATIONS. *War Office, 31st January*, 1865.

RULES and REGULATIONS to be strictly observed by Masters, Mates and Seamen of the several Vessels belonging to or employed by the War Department.

1. ON arrival at any Military Store Station, the Master is immediately to report himself to the senior Military Store Officer, and if any stores are on board, to deliver the bills of lading.

2. The Master is to keep a log-book, inserting the daily occurrences, and also the receipts and deliveries. The tally of all stores passing into or out of the vessel is to be taken by the Master or Mate, who will be held strictly accountable for the delivery of all the stores according to the receipt tally, and any deficiency must be immediately reported by the Military Store Officer to whom the stores are consigned.

3. The Master is to attend daily at the Military Store Office at the Station where the vessel may be lying, to receive such orders as the senior Military Store Officer may find it necessary to give, and from whom alone he will receive his instructions.

CIRCULAR, No. 902—*continued.*

4. The Master is directed frequently to examine the hold, and to be particularly careful that all iron bolts, nails, &c., are covered with sheet lead or tanned hide, and that any defects in the vessel or stores are immediately reported, in writing, to the senior Military Store Officer at the Station.

5. Previously to receiving any gunpowder, ammunition, &c., the Master or Mate is to take especial care to examine the hold, and see that it is clean swept, free from grit or dust, and in a fit state to receive the stores, which he is to report to the senior Military Store Officer.

Combustible stores are on no account to be placed in the hold of a powder hoy with ammunition.

6. On receiving gunpowder, ammunition, &c., the Master is to see that the platform in the vessel's hold, the gangways and comings of the hatchways are covered with tanned hides, that the barrels or boxes are carefully stowed, the hatches properly secured and locked, and that the key remains in his own possession.

A cushion (stuffed with oakum) covered with leather is to be used for landing all powder barrels or cases upon, whether in the hold of the vessel or on the wharf, when loading or discharging powder.

In stowing powder in the hold of the vessel, the barrels are to be carried, and on no account rolled over each other, and tanned hides are to be laid down for the purpose of protection.

No leaky or badly coopered barrel is to be received on board, and should such be offered, the Master is to refuse to receive it, and to report the circumstance to the Military Store Officer in charge at the Station immediately.

After the vessel has been discharged, the hides, hair cloths, &c., are to be removed, and the hold carefully cleaned out.

7. On delivery of the above stores, the same caution is to be used as in loading; and if any barrels or boxes should have been unavoidably broken, or any powder become loose, it is to be carefully swept up (and the circumstance reported by the Master to the senior Military Store Officer) before delivery to the magazine.

8. No fires, other than the engine room, are to be lighted on board any vessel, barge or craft conveying gunpowder or combustible stores to any place in the River Thames within one mile below Gravesend, or in either of the canals leading to Aldershot or Weedon; nor between the Nore and Chatham in the River Medway, nor within two miles of the spit or outer buoy leading to Harwich Harbour.

9. When gunpowder and ammunition is shipped, and the vessel is within the limits of *any* port, neither fires, lights nor smoking are, under any circumstances, to be permitted on board.

10. Fires will be provided in the cook houses at the several Stations, when requisite for cooking the provisions.

11. When at anchor at night in a roadstead or in the track of shipping, a masthead light is to be shown, and when under weigh the side lights, according to Admiralty Regulation.

12. When the vessel, barge or other craft is one mile below Gravesend, and not nearer than half-a-mile of any inhabited place or magazine, a fire may be lighted on board for cooking purposes only, and the Master is to see it carefully extinguished at sunset, and one hour previously to going alongside any ship or magazine. The engine-room fires in the steamers must also be put out one hour previously to going alongside any ship or magazine.

13. Smoking below is strictly prohibited. (See also Article 9.)

14. Having received gunpowder, ammunition or combustible stores on board, a red flag is to be hoisted at the mast-head, and kept flying until the cargo is discharged. The Master or Mate and all the crew are to remain on board until all the stores are discharged, except it may be necessary to procure water or provisions, of which notice is to be given to the senior Military Store Officer, but the vessel is not to be left without either the Master or Mate and one seaman.

15. No lucifer matches are at any time to be used on board any of the War Department Vessels, and any person found to be in possession of the same will be immediately dismissed. The usual tinder-box, &c., is to be kept by the Master, and used for the purpose of striking a light when actually necessary.

16. At Priddy's Hard and Tipner, when, in consequence of want of water, a vessel laden with powder or combustible stores is unable to be unloaded on the day of arrival,

CIRCULAR, No. 902—*continued.*

she is to be moored in the safest position at the wharf, and the hatchways secured and covered with tarpaulins, and no other vessel is to be allowed alongside of her. At all other Stations the vessel not unloaded is to haul into the stream a distance of 900 yards from the magazine wharf.

17. When removing the armament of any of Her Majesty's ships, the Master is to use his utmost endeavours to prevent any article of Naval Stores being put on board his vessel with the War Department Stores. In the event of his observing any article of Naval Stores amongst the War Department Stores, he will immediately report the circumstance to the Officer commanding the ship from which the armament is being removed.

18. On all occasions before casting off, after receiving stores from any of H. M. ships alongside the dockyard, the Master will apprize the dockyard police, in order that his vessel may be searched. Should the ship be in the stream, he will ask the Officer commanding to send the Master-at-Arms on board his vessel to make the examination; he will then lock the hatch and retain the key in his own possession until his vessel comes alongside the gun wharf to unload.

19. The Master will periodically examine the forecastle, and report to the Military Store Officer any article of public store found therein other than those belonging to the vessel.

20. In the steamers at sea the Officer in charge is to keep his watch on the bridge, and to see that the lamps are properly trimmed, and that a good look-out is kept by the man stationed in the bows.

21. On the arrival of the steam vessel in any port, the chief engineer is to report to the Master or Mate that the sea and bilge cocks are secure; and in the event of the fires being required to be banked up, the vessel is on no account to be left without one engineer on board. The engineer on duty, when under weigh, shall not, under any pretence, leave the engines, unless relieved by the engineer off duty.

22. The stokers shall assist the crew in getting the anchor and warping the vessel whenever required, but will not be called on to take part on deck in the general work of the ship, except in cases of emergency at sea. On arriving at any port they shall be employed under the engineers in cleaning the boilers, engines and other work in the engine room, and in coaling and trimming the coals in the bunkers.

23. All small repairs are to be executed by the engineers on board; and that engineer will show himself the most efficient who works his engines with the least expenditure of coal and other stores, or cost for repairs.

24. The steam funnels are to be kept clean swept, whitewashed and painted by the stokers.

25. The galley fire is to be extinguished at sunset, and not lighted before 6 a.m. The funnels are to be daily carefully examined and swept. (See Art. 8.)

26. When absent from his own Station, and meeting with any accident at sea, whereby the safety of the vessel is endangered or delay likely to arise, the Master is to report immediately to the senior Military Store Officer at the Station to which he belongs, and apply for assistance to the nearest Military Store Officer, dockyard, coast guard station or ship belonging to Her Majesty.

27. The Master will be held strictly responsible that the service upon which his vessel is employed is performed with the utmost dispatch; and, in the event of his being obliged to seek shelter, that no unnecessary delay is allowed to take place before again proceeding on his voyage. The Military Store Officer to whom the stores are consigned is to be immediately informed of the circumstance, which he will report to the Director of Stores, with his observations, if necessary.

28. The Master is authorized to draw half-a-month's pay in the event of his voyage being prolonged, by adverse winds or unforeseen circumstance, beyond the month in which he was originally loaded; the circumstances to be immediately reported to the senior Military Store Officer of the Station to which the vessel belongs.

29. All boats, unless required for service, are to be hoisted up at 8 p.m., and on no account to be lowered unless ordered by the Master, or, in his absence, the Mate.

30. When the vessel is unloaded, safely moored and not immediately wanted, the Master, Mate and crew will be permitted by the Military Store Officer at the Station occasionally to be with their families (when the weather will allow), but steamers are never to be left without the Master or Mate, one engineer, one seaman, one stoker and

CIRCULAR, No. 902—*continued.*

one boy; nor sailing vessels without either the Master or Mate and one seaman on board, nor is any person to absent himself at any time without express permission from the senior Military Store Officer at the Station.

31. Every man or boy employed in this service is to devote himself exclusively to it, and the Master will be held responsible for the conduct of the Mate and crew, and in the event of any of them disobeying his orders, he is to report the same in writing to the senior Military Store Officer at the Station to which he belongs, through the senior Military Store Officer at the Station at which he may have arrived.

32. Any Master, Mate or man wishing to leave the service must give three days' notice, or forfeit pay for a similar time.

33. The powder vessels are to be painted *red* outside and in; and when the gun or shell boys are temporarily employed in conveying powder, a piece of white painted canvas, with the word POWDER in black 18-inch letters thereon, is to be stopped to the gunwale on each outer side.

34. Each vessel will be furnished with two red flags, as many pairs of magazine slippers as there are men in crew, and a like number of pairs of trousers and frocks for working when embarking or disembarking powder or combustible stores, but not to be worn at any other period; these articles will be supplied upon the master's requisition by the senior Military Store Officer of the Station to which the vessel belongs.

When the crew work in the hold they are also to wear the under clothing (in lieu of their ordinary clothing) provided for magazine labourers.

35. The Master will transmit demands from time to time for such stores as may be requisite, returning the old stores to the Military Store Officer to show that they have been fairly worn out.

36. All stores belonging to the vessels are to be clearly marked W ↑ D.

37. An inventory of all the standing and running rigging, masts, blocks, anchors, cables (stating the length of the cables), sails, and all spare stores, &c., is to be made by the Military Store Officer at the Station to which the vessel belongs, and a copy given to the Master.

38. Periodical surveys on board each vessel will be held by an Officer of the Military Store Department, in order to ascertain that the stores are correct; and the Master will be held strictly responsible for all the stores placed in his charge, as shown by the inventory (see Article 37). The Military Store Officer is to report annually having held the survey.

39. As an account is kept showing the value of the amount of work performed, as well as the cost of maintaining each vessel, that Master will show himself the most efficient who (as with the engineers in Article 23) produces the best yearly balance sheet for the vessel he is in charge of.

J. CRAWFORD CAFFIN,
Director of Stores.

CIRCULAR, No. 903.—(*Civilian Witnesses on Court Martial Duty.*)

HOME.

38,284—13. *War Office, 27th February*, 1865.

Sir,—The Secretary of State for War having had under his consideration the case of a civilian witness who was prevented through want of funds from attending a Court Martial, I am directed by Earl de Grey and Ripon to acquaint you that in such cases the President of the Court may issue to the witness (through the Paymaster of the Regiment or Depôt Battalion to which the prisoner is attached) an advance sufficient to cover the actual travelling expenses of the witness from his residence to the place of trial, and at the termination of the trial a further advance to enable him to return to his residence.

The claims for such witness's travelling expenses should be forwarded to this Office through the President of the Court (the sum advanced, and by whom, being shown thereon), when the authority for payment will be issued from this Office to the claimant, through the Paymaster by whom the advance was made, and who, when settling the claim, will adjust any advance made by him.

I am, Sir, your obedient Servant,
EDWARD LUGARD.

The Officer commanding ——.

CIRCULAR, No. 904.—(*Soldiers' Gardens.*)

Gen. No. 8—350. HOME. *War Office, 2nd March*, 1865.

The Secretary of State for War having had under consideration the subject of allotment of garden ground to Soldiers, has decided that at camps and barracks the cultivation of gardens shall be encouraged by the allotment to the Troops, free of rent, of such portion of the War Department land as can be spared for the purpose, and to an extent not exceeding that which will be required to supply vegetables for the use of the Corps by which the gardens will be cultivated.

The Troops will be required to supply all labour necessary in providing and maintaining external fencing.

Applications for garden allotments should be addressed to General and other Officers in command, and when recommended by His Royal Highness the Field Marshal Commanding in Chief, and authorized to be made by the Secretary of State for War in accordance with the foregoing conditions, the allotments will be marked out by the Commanding Royal Engineer, and placed in charge of the Barrack Master, who will hand them over to the Corps for occupation as part of the barrack premises.

It will be the duty of the Commanding Royal Engineer and the Barrack Master, at their periodical inspections, to see that the fencing is duly maintained by the Corps in occupation, and to bring to notice any instance in which the ground is not used for the purpose for which it is appropriated.

In the event of gardens being transferred from one Corps to another, and in the event of there being growing crops in the cultivation of which expenditure has been incurred by outgoing Corps, the valuation of the crops, &c., should be arranged between the Corps concerned.

It is, however, to be expresely understood, that, with the exception of provision of materials for erection and maintenance of external fencing, no expense will be incurred on the public account in respect of garden allotments, without the special sanction of the Secretary of State for War.

When garden ground is required for Master Gunners, Barrack Serjeants or other subordinate Officers, or for individual Non-commissioned Officers and men, special authority is to be obtained from the Secretary of State for War in each case, and, provided ground can be spared, and that no expense falls on the public, allotments of land, not exceeding one-eighth of an acre for each individual, will be granted rent free, but subject to resumption without compensation if the land be required for the public service.

The individuals referred to in the last paragraph will also be responsible for paying any rates, taxes, tithes or other outgoings which may be leviable upon the lands, and must also provide at their own expense any fencing which may be required. In the event of their occupying land in excess of the extent before named, it should be paid for at its fair value, and be subject to the same conditions as all other War Department lettings.

EDWARD LUGARD.

CIRCULAR MEMORANDUM. Gen. No. 327.

Addressed to the Army at Home and Abroad.

Cooks, &c.—1 (1865). *Horse Guards, S. W., 28th February*, 1865.

It having been found objectionable that Non-commissioned Officers sent to Aldershot for training as Serjeant Cooks should be accompanied by their wives and families, His Royal Highness the Field Marshal Commanding in Chief, in concurrence with the Secretary of State for War, is pleased to decide, that in cases in which the Non-commissioned Officers selected for instruction in cooking are, on the strength of their Corps, *as married*, their families shall not proceed with them, but be allowed to continue in quarters, and to receive half and quarter rations.

His Royal Highness takes this occasion to call the attention of Commanding Officers to the necessity of selecting such Non-commissioned Officers as are likely to be competent in an educational point of view to perform efficiently the duties of a Serjeant Cook, many Non-commissioned Officers having been sent back to their Corps through deficiency in this respect, by which considerable expense has been incurred, and the development of the system hindered.

Digitized by Google

CIRC. MEM. No. 327—*continued.*

As a guide to Commanding Officers, it may be stated, that candidates for the situation of Serjeant Cook should be able to write with accuracy and quickness, and should be sufficiently advanced in arithmetic to be able to work out a question in "Simple Proportion."

By Command.
JAMES YORKE SCARLETT, *Adj. Gen.*

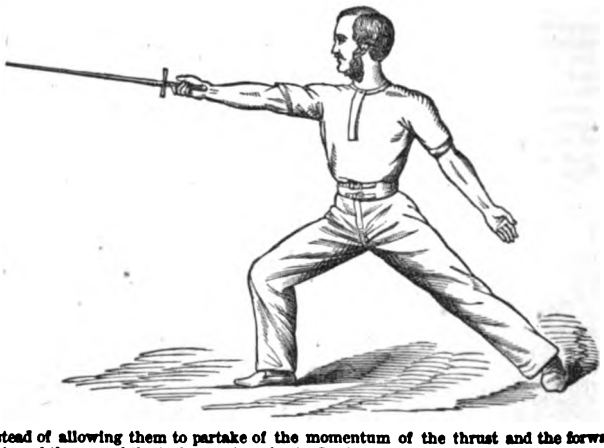
CIRCULAR MEMORANDUMS, Gen. No. 328 and 329, are not yet published.

CIRCULAR MEMORANDUM. Gen. No. 330.

Addressed to the Cavalry and to Military Gymnasia.

Fencing 1 (1865). *Horse Guards, 10th March, 1865.*

The Field Marshal Commanding in Chief desires that the Instructors in teaching the preliminary positions in fencing be careful to direct learners to retain the head and body, when on the longe, in the same perfectly upright position which they occupy in the guard,—namely, perpendicular to the centre of the span of the lower limbs (as shown in the annexed diagram)



instead of allowing them to partake of the momentum of the thrust and the forward action of the rest of the body, as given in the Book of Instructions.

By Command of HIS ROYAL HIGHNESS
THE FIELD MARSHAL COMMANDING IN CHIEF.
JAMES YORKE SCARLETT, *Adj. Gen.*

GENERAL ORDER. No. 862.

Depôt Battalions—1 (1865). *Horse Guards, S. W., 1st March*, 1865.

Her Majesty has been pleased to direct, that, in consequence of the reduction of certain Depôt Battalions, a portion of the remainder should be re-numbered as understated,—the first seven continuing as at present,—thus forming consecutive numbers from 1 to 15 inclusive, viz. :—

Depôt Battalions.			Depôt Battalions.
10th	to be	...	8th
11th	,,	...	9th
14th	,,	...	10th
16th	,,	...	11th
17th	,,	...	12th
19th	,,	...	13th
20th	,,	...	14th
23rd	,,	...	15th

For the ensuing six months the old as well as the new number is to be given in all official documents,—thus 8th, late 10th Depôt Battalion.

By Command of His Royal Highness
The Field Marshal Commanding in Chief.
JAMES YORKE SCARLETT, *Adj. Gen.*

Alphabetical List

OF

OFFICERS RETIRED FROM THE ARMY,

WITH THE

REGIMENTS FROM WHICH THEY RETIRED.

All General and Field Officers whose names are allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Notification to Her Majesty's Secretary of State for War of their being alive on the 1st January and the 1st July of each year.

If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.
